The Arad Academic Days are a fortunate opportunity for scientific appraisal, confirming the role of "Vasile Goldiș" Western University of Arad in promoting academic quality in interdisciplinary scientific research in Arad, Transylvania, and the Euro-region.

Professors and researchers have the possibility to capitalize their scientific and publishing activity in "Vasile Goldiș" University Press – the university's publishing house, and in its 5 journals, which are indexed in international databases.

We would be honored if you could join us for this important event.
